

The following 6 pages of files are available on the FERC website.
They were submitted by Williams / Cabot / Piedmont / WGL Holdings on 6/13/13
as part of their application for a certificate of public convenience and necessity.

http://elibrary.ferc.gov/idmws/file_list.asp?accession_num=20130613-5078

Supplemental files are available at:

http://elibrary.ferc.gov/idmws/file_list.asp?accession_num=20130617-5092

Comments on prior drafts RRs by US Army Corps of Engineers, NYS DEC, and FERC:

USACE: http://elibrary.FERC.gov/idmws/file_list.asp?accession_num=20130329-5067

NYS DEC: http://elibrary.FERC.gov/idmws/file_list.asp?accession_num=20130329-5214

http://elibrary.FERC.gov/idmws/file_list.asp?accession_num=20130528-5079

FERC: http://elibrary.FERC.gov/idmws/file_list.asp?accession_num=20130409-3020

http://elibrary.FERC.gov/idmws/file_list.asp?accession_num=20130425-3023

Draft Resource Reports:

RR 1 --General project description

RR 2 --Water use and quality

RR 3 --Fish, wildlife, and vegetation

RR 4 --Cultural resources

RR 5 --Socioeconomics

RR 6 --Geological resources

RR 7 --Soils

RR 8 --Land use, recreation and aesthetics

RR 9 --Air and noise quality

RR 10 --Alternatives

RR 11 --Reliability and safety (LNG)

RR 12 --PCB Contamination (> 50 ppm)

RR 13 --Engineering and design material (LNG)

Maps:

Water Use and Water Quality: File # 9 (starting on page 123 ->) and files # 10 and 11.

Geology and Geohazard: File # 15 (starting on page 50 ->) and files # 16, 17 and 18.

Soils: Files # 21, 22, and 23.

Alternatives: File # 26 (starting on page 103 ->)

Wetlands: Files # 38 and # 39 Appendix G

Proposed Pipeline Alignment: Files # 40 through 63 Appendix H

USGS Topographical Maps: File # 99

Large Format Maps - Additional Pages

National Wetlands Inventory: Pages # 2-4 Appendix G

Proposed Pipeline Alignment: Pages # 40 through 63 Appendix H

6/13/13 files

Accession Number: 20130613-5078

Description: Application of Constitution Pipeline Company, LLC for a Certificate of Public Convenience and Necessity authorizing the construction and operation of the Constitution Pipeline under CP13-499.
